Are you asking yourself how you can:

- Make better hires
- Identify future leader
- Build better and more capable leaders
- Define company culture
- Build strong and efficient team

Do you want to know more about your employees or new-hires:

- What do they want?
- How will they get what they want?
- What will get on their way? What may stop them?

Hogan Assessments has the right solutions and will help you to find answers of all above questions.

Join the following on-line webinars organised by Stanton Chase:

**Hogan Assessments as a Talent Management Tool for the Life Cycle of the Employee** - Overall presentation of the tool, identify candidates' work style, understand their core drivers, recognize patterns of behavior that could get in the way. Armed with this powerful insight, you can improve hiring process, increase productivity, engagement and impact the bottom line.

**Dates: 5th May and 28th May 2020, 16:00pm**

**Hogan Assessments for Leadership** – Identify leadership potential for first managerial role. Helps leaders to find clear understanding of their performance capabilities, challenges, and core drivers. With strategic self-awareness, leaders can more effectively leverage their strengths, avoid behaviors that could get in the way of success and gain insight into the culture they create. Hogan can simplify the process of finding talented employees who can be developed and who then will go on senior managerial roles to achieve positive business outcomes.

**Dates: 13th May and 2nd June 2020, 16:00pm**

**Hogan Assessments for Team Development and Effectiveness** - This solution draws on personality assessment to help teams identify and understand three internal dynamics: strengths and weaknesses, potential team fracture lines and team culture & shared values. It helps understand better what is the team attitude regarding Results, Pragmatism, Innovation, Process, Relationships. Explores as well as how each team member contributes to team roles.
