Company presentation
Vario green energy Concept GmbH
Content

1. Information about the Vario group
2. Business activities
3. Project example
4. Contact
Successful in the PV industry for 20 years

Operations started 01/2000

- Systems Distribution

- First solar park 108 kWp in Italy

- First park > 1 MWp

- Slovakia

- 15 MW installed

- 7 solar parks 1,0 MWp

- 2 solar parks 1,6 MWp

- B2B sales

- Romania

- Projects DE

- Projects DE + Project Mgmt

- 2014 - 2020
